3. Basis of contract

3.1 The Order constitutes an offer by Sysco to purchase Goods or Services or Goods and Services from the Supplier in accordance with these Conditions.

3.2 The Order shall be deemed to be accepted on the earlier of:

- (a) the Supplier issuing written acceptance of the Order; or
- (b) any act by the Supplier consistent with fulfilling the Order,

at which point and on which date the Contract shall come into existence (**Commencement Date**).

3.3 These Conditions apply to the Contract to the exclusion of any other terms that the Supplier seeks to impose or incorporate, or which are implied by law, trade custom, practice or course of dealing.

3.4 All of these Conditions shall apply to the supply of both Goods and Services except where the application to one or the other is specified.

4. Supply of Goods

4.1 The Supplier shall ensure that the Goods shall:

- (a) correspond with their description and any applicable Goods Specification;
- (b) be of satisfactory quality (within the meaning of the Sale of Goods Act 1979) and fit for any purpose held out by the Supplier or made known to the Supplier by Sysco, expressly or by implication, and in this respect Sysco relies on the Supplier's skill and judgement;
- (c) where they are manufactured products, be free from defects in design, materials and workmanship and remain so for 12 months after delivery or such other warranty period as may be agreed in writing between the parties; and
- (d) comply with all applicable statutory and regulatory requirements relating to the manufacture, labelling, packaging, storage, handling, and delivery of the Goods.

4.2 The Supplier shall ensure that at all times it has and maintains all the licences, permissions, authorisations, consents and permits that it needs to carry out its obligations under the Contract in respect of the Goods.

4.3 The Supplier will, if requested by Sysco, provide Sysco with access to its (or its suppliers premises) to inspect and test the Goods at any time before delivery. The Supplier shall remain fully responsible for the Goods despite any such inspection or testing and any such inspection or testing shall not reduce or otherwise affect the Supplier's obligations under the Contract.

4.4 If following such inspection or testing Sysco considers that the Goods do not comply or are unlikely to comply with the Supplier's undertakings at clause 4.1, Sysco shall inform the Supplier and the Supplier shall immediately take such remedial action as is necessary to ensure compliance.

4.5 Sysco may conduct further inspections and tests after the Supplier has carried out its remedial actions.

5. Delivery of Goods

5.1 The Supplier shall ensure that:

- (a) the Goods are properly packed and secured in such manner as to enable them to reach their destination in good condition; and
- (b) each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, the Order number, the type and quantity of the Goods (including the code number of the Goods (where applicable)), special storage instructions (if any) and, if the Goods are being delivered by instalments, the outstanding balance of Goods remaining to be delivered. The Supplier will provide any other documentation relating to the Goods as may be reasonably required by Sysco; for example, safety data sheets.

5.2 The Supplier shall deliver the Goods:

- (a) on the date specified in the Order or as otherwise agreed in writing between the parties, if no such date is specified, then in a timely manner;
- (b) to such location as is set out in the Order or as instructed by Sysco before delivery (**Delivery Location**); and
- (c) during Business Hours or as instructed by Sysco.

5.3 Delivery of the Goods shall be completed on the completion of unloading of the Goods at the Delivery Location.

5.4 If the Supplier:

- (a) delivers less than 95% of the quantity of Goods ordered, Sysco may reject the Goods; or
- (b) delivers more than 105% of the quantity of Goods ordered, Sysco may at its sole discretion reject the Goods or the excess Goods,

and any rejected Goods shall be returnable at the Supplier's risk and expense. If the Supplier delivers more or less than the quantity of Goods ordered, and Sysco does not elect to return the surplus amount or to return the order because the Supplier did not deliver the correct quantity of Goods, the Supplier shall make a pro rata adjustment to the invoice for the Goods.

5.5 The Supplier shall not deliver the Goods in instalments without Sysco's prior written consent. Where it is agreed that the Goods are delivered by instalments, they may be invoiced and paid for separately. However, failure by the Supplier to deliver any one instalment on time or at all or any defect in an instalment shall entitle Sysco to the remedies set out in clause 7.1.

5.6 Title and risk in the Goods shall pass to Sysco on completion of delivery.

6. Supply of Services

- 6.1 The Supplier shall from the date set out in the Order (or otherwise agreed in writing) and for the duration of the Contract supply the Services to Sysco in accordance with the terms of the Contract.
- 6.2 The Supplier shall meet any performance dates for the Services specified in the Order or that Sysco notifies to the Supplier and time is of the essence in relation to any of those performance dates.

 - (c) use personnel who are suitably skilled and experienced to perform tasks assigned to them, and in sufficient number to ensure that the Supplier's obligations are fulfilled in accordance with the Contract;
 - (d) ensure that the Services will conform with all descriptions, standards and specifications set out in the Service Specification, and that the Deliverables shall be fit for any purpose that Sysco expressly or impliedly makes known to the Supplier;
 - (e) provide all equipment, tools and vehicles and such other items as are required to provide the Services;
 - (f) unless otherwise agreed in writing, use the best quality goods, materials, standards and techniques, and ensure that the Deliverables, and all goods and materials supplied and used in the Services or transferred to Sysco, will be free from defects in workmanship, installation and design;
 - (g) obtain and at all times maintain all licences and consents which may be required for the provision of the Services;
 - (h) observe all health and safety rules and regulations and any other security requirements that apply at any of Sysco's premises;
 - (i) hold all materials, equipment and tools, drawings, specifications and data supplied by Sysco to the Supplier (**Sysco Materials**) in safe custody at its own risk, maintain Sysco Materials in good condition until returned to Sysco, and not dispose of or use Sysco Materials other than in accordance with Sysco's written instructions or authorisation;
 - (j) not do or omit to do anything which may cause Sysco to lose any licence, authority, consent or permission upon which it relies for the purposes of conducting its business, and the Supplier acknowledges that Sysco may rely or act on the Services;
 - (k) comply with any additional obligations as set out in the Service Specification.

6.4 With respect to all of the Supplier's employees supplied to Sysco to perform the Services, the Supplier agrees that it will screen all such individuals and ensure that each such person is fully qualified to perform the Services, and the Supplier shall obtain and at all times maintain all licences and consents which may be required to perform such Services for Sysco. Sysco may reject any individual Supplier employee assigned to a Sysco project at any time for reasonable cause, and the Supplier will replace such rejected employee as soon as reasonably possible with an employee acceptable to Sysco. In the event Supplier must replace an employee, the Supplier will not charge Sysco for the time it takes to get such replacement employees trained and familiarized with the project (not to exceed a period of 30 calendar days) and will absorb any overtime costs needed to ensure that the project stays on schedule.

7. Sysco remedies

7.1 If the Supplier fails to deliver the Goods by the applicable date or to perform the Services by the date set out in the Order or otherwise agreed with the Sysco, Sysco shall, without limiting or affecting other rights or remedies available to it, have any one or more of the following rights and remedies:

7.2 If the Supplier has delivered Goods that do not comply with the undertakings set out in clause 4.1, then, without limiting or affecting other rights or remedies available to it, Sysco shall have one or more of the following rights and remedies, whether or not it has accepted the Goods:

- (a) to terminate the Contract with immediate effect by giving written notice to the Supplier;
- (b) to reject the Goods (in whole or in part) whether or not title has passed and to return them to the Supplier at the Supplier's own risk and expense;

- (a) to terminate the Contract with immediate effect by giving written notice to the Supplier;
- (b) to return the Deliverables to the Supplier at the Supplier's own risk and expense;
- (c) to require the Supplier to provide repeat performance of the Services, or to provide a full refund of the price paid for the Services (if paid);
- (d) to refuse to accept any subsequent performance of the Services which the Supplier attempts to make;
- (e) to recover from the Supplier any expenditure incurred by Sysco in obtaining substitute services or deliverables from a third party; and
- (f) to claim damages for any additional costs, loss or expenses incurred by Sysco arising from the Supplier's failure to comply with clause 6.3(d).

7.4 These Conditions shall extend to any substituted or remedial services or repaired or replacement goods supplied by the Supplier.

7.5 Sysco's rights and remedies under the Contract are in addition to, and not exclusive of, any rights and remedies implied by statute and common law.

8. Sysco's obligations

8.1 Sysco shall:

- (a) provide the Supplier with reasonable access at reasonable times to Sysco's premises for the purpose of providing the Services;
- (b) provide such necessary information for the provision of the Services as the Supplier may reasonably request.

9. Charges and payment

9.1 The price for the Goods:

- (a) shall be the price set out in the Order, or if no price is quoted, the price otherwise agreed in writing with Sysco; and

- (b) shall be inclusive of the costs of packaging, insurance and carriage of the Goods. No extra charges shall be effective unless agreed in writing and signed by Sysco.
- 9.2 The charges for the Services shall be set out in the Order, and shall be the full and exclusive remuneration of the Supplier in respect of the performance of the Services. Unless otherwise agreed in writing by Sysco, the charges shall include every cost and expense of the Supplier directly or indirectly incurred in connection with the performance of the Services.
- 9.3 In respect of the Goods, the Supplier shall invoice Sysco on or at any time after completion of delivery. In respect of Services, the Supplier shall invoice Sysco on completion of the Services. Each invoice shall include such supporting information required by Sysco to verify the accuracy of the invoice, including the relevant purchase order number.
- 9.4 In consideration of the supply of Goods and/or Services by the Supplier, Sysco shall pay the invoiced amounts on its first weekly payment run following 60 days of the date of a correctly rendered invoice to a bank account nominated in writing by the Supplier.
- 9.5 All amounts payable by Sysco under the Contract are exclusive of amounts in respect of valued added tax chargeable from time to time (**VAT**). Where any taxable supply for VAT purposes is made under the Contract by the Supplier to Sysco, Sysco shall, on receipt of a valid VAT invoice from the Supplier, pay to the Supplier such additional amounts in respect of VAT as are chargeable on the supply of the Goods and/or Services at the same time as payment is due for the supply of the Goods and/or Services.
- 9.6 If a party fails to make any payment due to the other party under the Contract by the due date for payment, then the defaulting party shall be entitled to charge interest on the overdue sum from the due date until payment of the overdue sum, whether before or after judgment. Interest under this clause will accrue each date at 3% a year above the Bank of England's base rate from time to time, but at 3% a year for any period when the base rate is below 0%.
- 9.7 The Supplier shall, where requested by Sysco, maintain complete and accurate records of the time spent and materials used by the Supplier in providing the Services, and the Supplier shall allow Sysco to inspect such records at all reasonable times on request.
- 9.8 All invoices must contain: (a) Sysco's purchase order number; (b) a description of Services, taxes, and expenses for which the invoiced fees are due; and (c) total amount due. Invoiced amounts will not exceed the amounts set forth in the applicable purchase Order without prior written approval from Sysco. **All invoices that do not comply with the requirements set forth in this paragraph may be rejected and payment may be subject to delay.**
- 9.9 Sysco may at any time, without notice to the Supplier, set off any liability of the Supplier to Sysco against any liability of Sysco to the Supplier, whether either liability is present or future, liquidated or unliquidated, and whether or not either liability arises under the Contract. If the liabilities to

be set off are expressed in different currencies, Sysco may convert either liability at a market rate of exchange for the purpose of set-off. Any exercise by Sysco of its rights under this clause shall not limit or affect any other rights or remedies available to it under the Contract or otherwise.

- 9.10 The Supplier shall maintain complete and accurate accounting records, in a form in accordance with standard accounting practices, to substantiate Supplier's charges for the Goods and/or Services. Such records shall include, but not be limited to, time cards, job cards, attendance cards, job summaries and travel expense reports if reimbursement is claimed for such expenses. All payments, if any, made by Sysco shall be subject to final adjustments as determined by such audit(s). Supplier shall retain such records relating to each Contract or Purchase Order for a period of six (6) years from the date of final payment for the relevant Services to Sysco.
- 9.11 Most Favoured Customer. Supplier agrees that if at any time during the period it sells or offers to sell any Goods, licence or Service to a comparable customer for less than the Charges, it shall:
- (a) reduce the Charges to match the lower price; and
 - (b) refund Sysco the difference between the Charges and the lower price in respect of its purchases of Goods, licences or Services after Supplier began charging the lower price.

For the purposes of this clause, a "comparable customer" is a customer that purchases Services and/or Goods in substantially similar volumes as Sysco on materially similar commercial and legal terms and conditions.

10. Intellectual property rights

- 10.1 All data, drawings, specifications, tools, patterns or free issue materials supplied by or paid for by Sysco in connection with the supply of the Goods and/or Services shall be and remain the property of Sysco and shall be separately identified as belonging to Sysco. The Supplier shall return such items to Sysco on request in good condition. 10.5 The Supplier warrants that the Goods and/or the performance of the Services (except to the extent that they are of a design furnished by Sysco) shall not infringe any third-party patent, trademark, registered design or other Intellectual Property Right and the Supplier shall indemnify Sysco against all claims alleging such infringement. If Sysco so requests, the Supplier shall defend or assist in the defence of any action alleging such infringement by Sysco.

11. Indemnity

11.2 This clause 11 shall survive termination of the Contract.

12. Insurance

During the term of the Contract and for a period of 6 years thereafter, the Supplier shall maintain in force, with a reputable insurance company, professional indemnity insurance, product liability insurance and public liability insurance to cover the liabilities that may arise under or in connection with the Contract, and shall, on Sysco's request, produce both the insurance certificate giving details of cover and the receipt for the current year's premium in respect of each insurance.

16. Information Security

If, in the course of supplying the Goods or Services, the Supplier: (i) integrates with any Sysco technology, (ii) connects to Sysco's (or its affiliates') IT network; or (iii) is provided access to Sysco's (or its affiliates) data, the Supplier will be subject to Sysco's cyber security review procedures. In such circumstances, the Supplier shall promptly and accurately complete a written information security questionnaire provided by Sysco regarding the Supplier's security practices and information technology environment as related to the Goods and/or Services provided under the Contract. For clarity, the level of review will vary based on type of data and connectivity. In these circumstances, the Supplier will be required to adhere to Sysco's minimum cyber security standards which will be notified to the Supplier.

17. Termination

17.1 Without affecting any other right or remedy available to it, Sysco may terminate the Contract:

- (a) with immediate effect by giving written notice to the Supplier if:
 - (i) there is a change of Control of the Supplier; or

- (b) for convenience by giving the Supplier 14 days' written notice.

- 17.2 Without affecting any other right or remedy available to it, either party may terminate the Contract with immediate effect by giving written notice to the other party if:

18.1 On termination of the Contract, the Supplier shall immediately deliver to Sysco all Deliverables whether or not then complete, and return all Sysco Materials. If the Supplier fails to do so, then Sysco may enter the Supplier's premises and take possession of them. Until they have been returned or delivered, the Supplier shall be solely responsible for their safe keeping and will not use them for any purpose not connected with the Contract.

18.2 Termination or expiry of the Contract shall not affect the parties' rights and remedies that have accrued as at termination or expiry, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry.
