From our Kitchen to yours

A range of innovative
products for your menus

Since 2009, Fresh Kitchen has been developing bespoke solutions for customers from our BRC A-grade facility at the heart of our food village in Bicester. Under the stewardship of skilled and dedicated chefs, we've collaborated with some of the UK's leading hospitality businesses to produce award-winning pickles, sauces, and condiments to complement their menus.

We don't use any artificial colours, flavours, or preservatives in anything we create. We use the best quality produce and ingredients from fresh food experts Fresh Direct, our sister business conveniently located just next door.

For the first time, we're offering some of our most popular products for you to purchase alongside the rest of your Brakes order. From the sweet and sharp Watermelon Pickle to the delicate Fish Velouté and award-winning Comeback Sauce; find out more about how our products can help elevate your menu.
